

# Privacy Policy

This privacy policy applies to the services offered by Websonik Applications BV, concerning the SaaS applications developed for asbuilt documentation of pipe systems, traceability of used materials and fittings, and cost calculations.

## **\*\*Data Collection and Usage\*\***

We collect and process personal data necessary for the proper functioning of our SaaS applications, such as usernames, email addresses, and IP addresses. This data is used solely for providing the service and will not be shared with third parties without your consent, unless required by law.

## **\*\*Data Security\*\***

We take the necessary technical and organizational measures to ensure the security of your personal data and to prevent unauthorized access, use, or disclosure.

## **\*\*Data Transfer Outside the EU\*\***

Some of our service providers and partners may be located outside the European Economic Area (EEA). In such cases, we will ensure that your personal data is protected in accordance with applicable data protection laws.

## **\*\*Rights of Data Subjects\*\***

You have the right to request access to your personal data, to correct, delete, or restrict it, and to object to its processing. Please contact us at [info@websonik.com](mailto:info@websonik.com) for more information on how to exercise these rights.

## **\*\*Changes to this Privacy Policy\*\***

This privacy policy may be amended from time to time to comply with legal requirements or to adjust our data protection practices. Please consult this page regularly for the most recent information.
